Subject and Vendor	WRITING WITH GRASSHOPPER ENRICHMENT
SESSION 1 CLASS	
Class name:	ASPIRING AUTHORS
Class description:	Using a unique two-brain approach in a positive and friendly environment, students are inspired to write and “publish” their own book. This is a fun and challenging eight-week adventure where each student will be an author, editor, and artist “hired” by the publishing company to create their masterpieces. As a company, we will assemble and bind the books creating professional results*. Students will learn how to use the elements of story building to captivate their readers and enhance their illustrations to make their words come alive. Their books will be a treasure to cherish. In a culminating activity, we will have an evening with parents and friends to “Celebrate the Authors”.

Subject and Vendor:	PIANO KEYBOARD CLUB WITH MUSICAL MINDS
SESSION 1 CLASS	
Class name:	The Piano Keyboard Club Fall 2019
Class description:	<p>Kids will have the opportunity to learn to play their favorite songs and music on electric keyboards. Radio hits, movie and television themes are made so easy, that our participants will be playing them after the very first class! The club is a combination of keyboard piano lessons and a music learning workshop, which uses a clever visual method to teach the basics of music reading and piano playing. We've developed lots of learning games and activities designed to teach kids basic music reading skills and playing techniques, in ways that are fun, engaging, and stimulating. We want our students to stay motivated and continue to <i>want</i> to learn to play music, whether they like Bruno Mars or Beethoven. We have all the music they want. We have music from Stars Wars, Jurassic World, Moana, Coco and lots more. Each participant has his/her own keyboard supplied during the class, along with headphones, and books and other materials are included.</p> <p>This session is for both brand new students AND more advanced students.</p>
