

SERVICE PROJECT

Every year the 5th grade class participates in a service project giving them a hands-on opportunity to reach out and help the community in a meaningful way. Inspired by Project Linus; the committee, in conjunction with the 5th grade teachers, have decided that the students will make no-sew fleece blankets and donate them to a local organization in need. In May, during school hours, our 5th graders will be making blankets, along with a personal note, and donating them to a local organization where they will be given to a deserving child. The local organization will be chosen via vote by our 5th graders after the April service project kick-off meetings. Our students will be raising funds to purchase fleece. Our goal is **\$20 per student**. Students can raise funds by collecting quarters (coin drive) and through a variety of other individual or group activities— Dog Wash, Bake Sale, Lemonade Stand, etc. More information will be available as we get closer to our kick-off assembly.
